

Great Granddaughter's Club Pin Order Form

Pin Description: The official pin is gold filled in the shape of a diamond with the words, "Great Granddaughter" outlining the pin on a background of red enamel. The four sides of the diamond shape represents four generation lineage: the familial connection between the specific daughter and her Confederate Great Grandfather. The Stars and Bars Flag featured in color in the center of the pin, easily identifies our affiliation with the United Daughters of the Confederacy". The raised letters "UDC 61-65" framed with laurel leaves compliment the beauty of the pin.
