

THE CONFEDERATE GRAVE MARKER

The Confederate Grave Marker was patterned after the design on the Southern Cross of Honor Metals.

On the front of the markers are the dates 1861 and 1865, which represent the beginning and ending of the War. Also on front you will read DEO VINDICI which is Latin for "Vindicated by God."

On back are the letters CSA meaning the Confederate States of America.

The grave markers are 11" by 11" and an 18" stake is included. The marker is painted black and is made of cast iron.

The marker is a way to give the survivors and families of the deceased soldiers of the Confederacy in the War Between the States, a metal to honor their service in the War.
